From Broccoli who continue to bring us fresh characters the Character Designer of First Kiss Story Hiroki Minakami and Scenario Designer of "Tokimeki Memorial" Ryuuge Tenrishi comes a brand new visual novel.

The player is an 11th year high schooler who plays the last three semesters from June up until the closing ceremony trying to win the hearts of the heroine characters.

The long course of events from the beginning up until the good ending are the same as in the game but the events and scenarios that happen up till then all depend on the outcome of the player hence it can be enjoyed many times over.

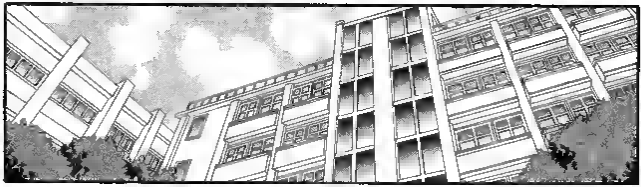
COLOR 1 A PURE WHITE FUTURE
Okay! This time for sure!!
GO!!

We haven't even taken attendance yet...
...mm? Is it lunch time?
...
Masaki!!
So early, yet so tired
Nn, I had library duty early today
And there weren't many returns
If they'd make a return box, no one would have to suffer like that in the first place
Want some?
Nn?
Don't say that so luxuriously I have to get up at four for my part time job...
Why do you have to get up at four for part time?
Ehh, that's amazing

Geez... it's a bit early in the new term to be so relaxed
I don't really mind
I want to go back to the summer holidays
HEY, are you listening!?
You were sleeping in the library anyways
Nnn~
Instead of a book, he's getting that~~ He's good, that Yuuki
Hmm, the school gate at five, kuh
... I've known you for a long time so I'll tell you
The future of people as lethargic as you...
Ah
...this is for you, Yuuki
Yuuki-sama

Sorry Masaki, but please convey my regrets
He's even popular with the does
If I don't go on time, Andrea won't stop barking
Andrea

I won't be able to make it at five I've got reservations with Andrea
An...!?
A part-time job walking Tsuboi-san's dog



Oh, who cares it's raining anyway
Ah— he erased it

Very well then moving on---

Since we're just copying what he writes on the blackboard
He should save us some time by handing out copies
People spending their time writing, transcribing into their notes everyday
Pure white days
And just like that pure white tomorrow comes
And the day after
And this probably goes on forever

Where's the audio-visual room?
You're now a sopho-more
!?
Waaa!!!
Eh... wa ehi?
Ow~~
Ah geez, I did it again
Are you all right?
eh

Yay, we finally meet again~
Ah~
Masaki Shirai!!
...yes?
Long time no see~ Been well?
eh?

D-Do you...
Really mean that...?

Ah--!! Yuuki-kun too!
So today was the day you were transferring in
Yo
Eh--eh?
Yes, I got here early

Do you two know each other?
Oo

You don't remember? Really...?
Oh come on, don't tell me
Eh...
Umm

I GET IT, I REMEMBER!
Thank goodness...
Look of suspicion
drawers of memory

This morning, while I was bored in the library I looked out the window
ぼへー
Nn?
What the she's climbing... the wall...
THE MORNING TORTOISE!
Huh tortoise?
AH
ずるり
At that moment she looked like a newly born tortoise!
Ahh, don't give up, you're almost there
But she fell off the wall in the end...
ウッ…
Hahaha Didn't you know where the gate was?
So...
Ah, but you're a transfer student

SORRY FOR BEING A TORTOISE!!!
GOBU
You were wrong in the first place
Don't underestimate her
I don't care anymore!
But of course
I didn't once get a reply back from the letters
Of course you've completely forgotten
Eh...?

Like I thought,
I can't remember
Letters..?
Can't even remember a single thing..
This will be a good lesson for you
I won't tell you till you remember
Especially Yuuki..
Although she looked so strong-willed
She looked like she was crying...
Cr
Sl
Ne
OOWW
AH GEEZ

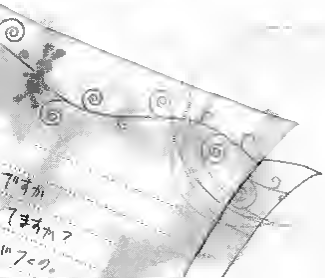
I did it again...
Ah...
I see!
ガバ
ガバ
バタ
ドタ
ピンポーン!

Masaki Shirai
We finally meet again
Kebe
I came to see you yesterday,
but you were already asleep
I see... sorry
I took a shortcut because I didn't want to be late on the first day
But now that you remember, I really resent that tortoise comment
And... I got hurt and ended up being late anyway

Geez, what a day for a transfer student Even Masaki forgot about me
Sorry... You were from my elementary school days...
But well, you still held on to my letters
Ah yeah, deep within my desk
Okay!
Then I suppose I'll let you off easy then
I remember "Yayoi Sakurai"
A childhood friend of Yuuki and I
Everyday until it got dark----
It was this park
The three of us used to play here a lot, together
Ever since I moved, I got really lonely and wrote a lot of letters,
but Masaki never even replied
That's because men hate writing

That's a lie~ Yuuki-kun always replied
I was so shy I couldn't write back
Even today it's not like I forgot...
How should I say it... I didn't want to be so surprised
Kya?!
Ah oi-
Hehe
I did it again

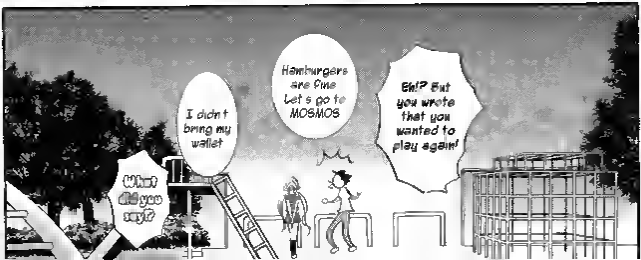
Only her appearance changed..



To Masaki
Do you remember that part?
The three of us used to play a lot together

I was always falling down
Masaki was always the first to be concerned for me
I'd always regret it, but I'd do my best not to cry

But on the day I moved out
I couldn't hold it in
And was always crying
If we meet again, once again, in that park...



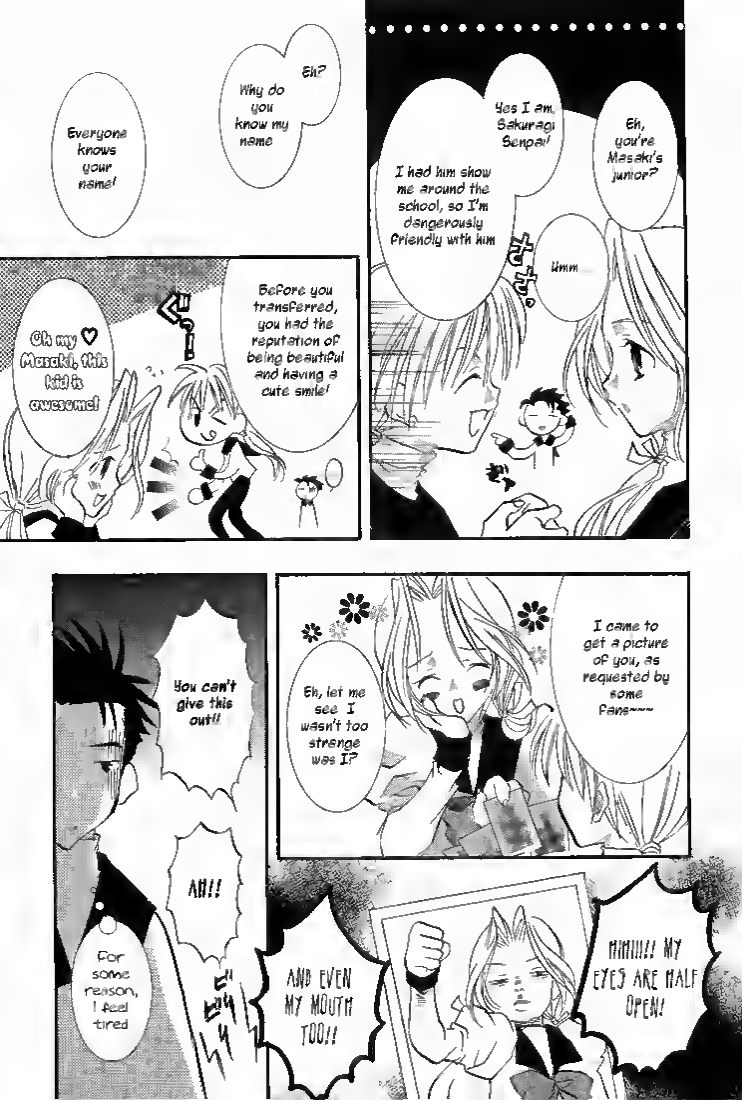
COLOR 2 A MADDER RED SEASON

Ahh~
Winter uniforms from today
It's quite a saddening design for men
Sailor style
Morning,
Shirai-kun,
Kurozumi-kun

Thank goodness...
Then, see you later
Umm... Shirai-kun, there's a meeting amongst the library members today during lunch...
...are you coming?
Ah... y-yes
Perhaps the winter uniforms might be good...
Good morning you two...!!
Yes, I suppose...
You... know it's the seasonal uniform change today, don't you?
Eh?

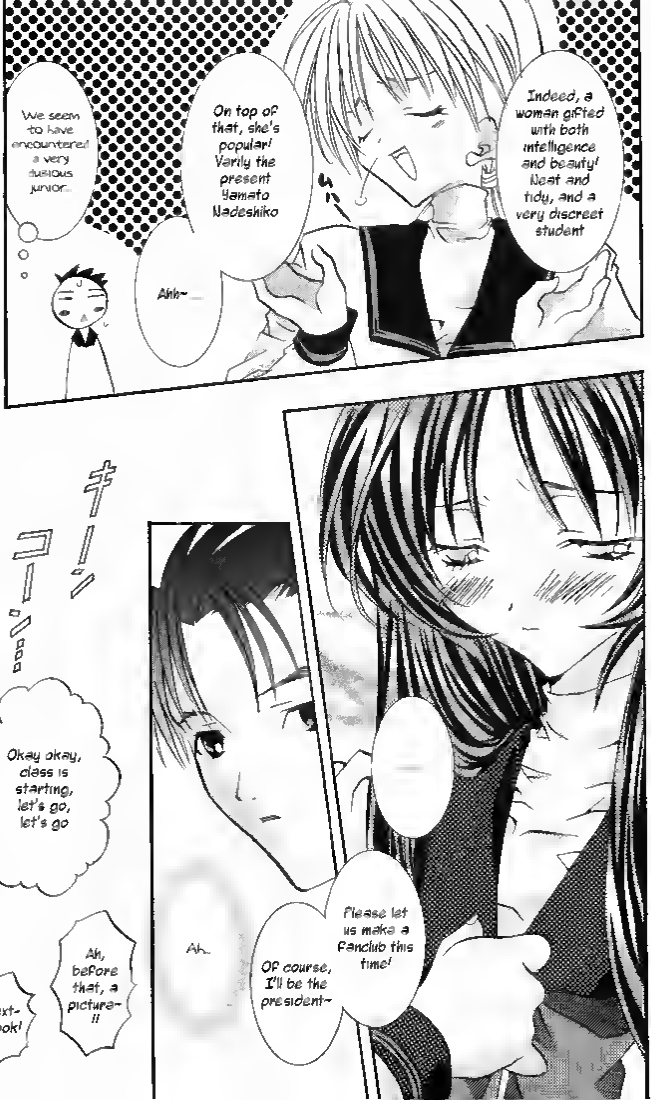
Very good
Nothing less from Ookura-san, excellent pronunciation
Ohhh— wow—
Let's call it a day here
Masaki-♡
Lend me your physics textbook--

KU-NU!!
What you wanna go at it?!
"Lend" You're always borrowing something from me everyday
You should borrow from Yuuki once in a while too
Oh don't worry, you probably don't bother with those subjects anyway
But then I'll only be hindering his studies--
Okay, stop---
Can I take one more?
Nn?
Eh, you're
It's slipping~
First Year, Class E, Mamoru Kagurazaka
Will you please remember my name already, Senpai?



Everyone knows your name!
Eh?
Why do you know my name
Eh, you're Masaki's junior?
Yes I am, Sakuragi Senpai!
I had him show me around the school, so I'm dangerously friendly with him
Umm
Before you transferred, you had the reputation of being beautiful and having a cute smile!
Oh my ♡ Masaki, this kid is awesome!
I came to get a picture of you, as requested by some fans~~~
Eh, let me see I wasn't too strenge was I?
You can't give this out!!
AH!!
For some reason, I feel tired
AND EVEN MY MOUTH TOO!!
HHHH!!! MY EYES ARE HALF OPEN!

Ah!
...that person...
≠
!!
Hmm
Shirai-kun
Eh?
YAMATO NADESHIKO PERFECT JAPANESE WOMAN. SEE HTTP://WWW.CSSE.MONASH.EDU.AU/~JWB/JFAQ/YAMATONADESHIKO.HTML
About today's meeting, it's been changed to after school
Ah Ookura-san
Our school's acclaimed Yamato Nadeshiko! Momiji Ookura Senpai!
Eh...?
As beautiful as the rumors say
Quite famous amongst us first years



We seem to have encountered a very dubious junior...
On top of that, she's popular! Verily the present Yamato Nadeshiko
Ahh~
Indeed, a woman gifted with both intelligence and beauty! Neat and tidy, and a very discreet student
キーンコーンカーン
Okay okay, class is starting, let's go, let's go
Ah, before that, a picture-!!
Text-book!
Ah..
Of course, I'll be the president~
Please let us make a fanclub this time!

図書室
Well then,
next up is the weekly reading poster

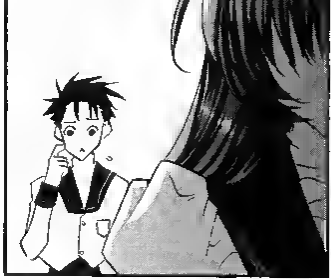
I wonder what happened to Ookuri-san back there

That wasn't an expression of shyness
!
O-Ookura-san
Is she cry-..?
.....
Uh
ah

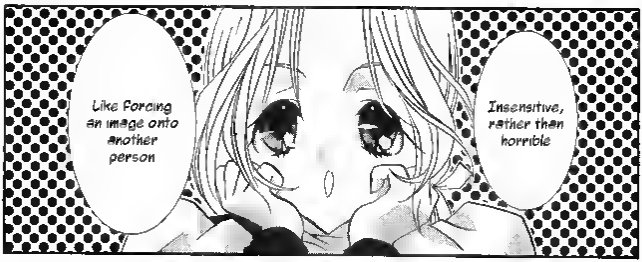
!!?
Spinning the pencil!?
O-Ookura-san is!?
That's quite unexpected
No, I mean you were quite skilled back there
Back there ?
Eh?

This
Right hand reflexes
Oh my! That was
I was just bored
I have a habit of doing that
I see... Feels like you've been doing it for a while
I can even do this
Oooh--
fufu
fufu
That's amazing, Ookura-san

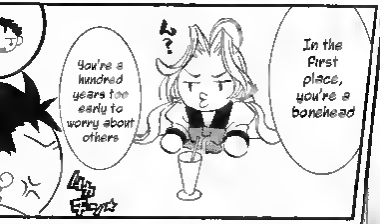
This is quite unexpected
I always thought Ookura-san had a strict image...
Like a very polite princess,
that's why...
...I see
Even Shirai-kun thinks that way
Eh
Ookura-sa
Well... I'll... carry these books



I think I've said something horrible...



Like forcing an image onto another person
Insensitive, rather than horrible



You're a hundred years too early to worry about others
In the first place, you're a bonehead
Let's go Shoyo!

Damn those two
He's to blame
Whoa!
Whoa!! You wanna go at it?
If I'm a bonehead, then you're an ignoramus!

Well, it's different for everyone!
Nn~ really
but normally, people consider that a compliment, right?
Yes, yes

Umm
Ookura-san, sorry about before
I mean about what I said
Indeed
Ah~~
Airing out the books is so troublesome
I'm tired
Library duty really is bothersome
If the people who gossip about you see that, they'll definitely---
Seeing that other side of you was quite different from your image
Be disappointed wouldn't they
Definitely

I mean...
There aren't many Ojou-samas that have mastered such a skill
They'll want to be a fan even more!
No, quite the opposite!
Eh?
At the very least, instead of being taught by a Yamato Nadeshiko
I'd definitely feel better being taught this by you, Ookura-san
Umm... I mean... Like I said... Either is fine is what I want to say
fufu
Eh?

... You know what, Shiroi-kun
About the pencil thing...
The color of the sky is beautiful ...
O-Ookura-san...
The scenery of the evening colors
And the maddening red Ookura-san
I'll teach it to you next time.

Well then, next is---
How about Shirai?
Okay Ookura, very well done... You may sit
くるん
Oi Shirai~
Are you listening, Shirai!

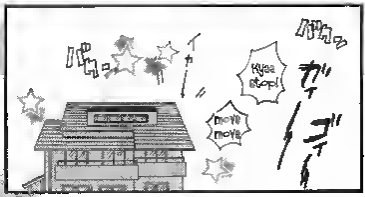
COLOR 3 LOVE COMES OUT OF THE BLUE

WAKE
UP!

I'm trying to finish cleaning before the lecture in the afternoon
My alarm clock hasn't even gone off yet

YES, NOW WAKE UP ALREADY, EAT BREAKFAST, AND GO TO SCHOOL
Un Sis?

Yes yes, people who don't wake up will get their panties sucked up
You're forcing your circumstances...
WAA!



Rise up!!
move move

And so today's wake up call was horrible
That's why you were surprisingly early today
Isn't Yukino-san a nice sister for taking good care of you?
I live alone so I envy you
You have no idea what a tyrant she is
EH...
AH
WA...
IA... awaa!!

Are you alive?

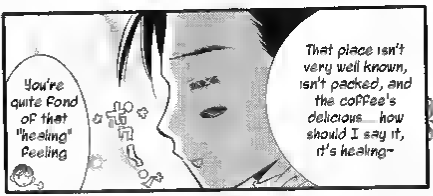
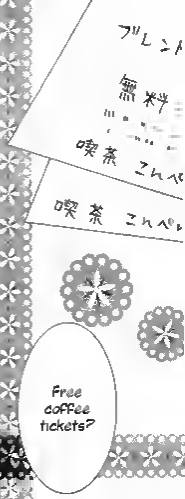
Um?
F-Forgive my rudeness! Excuse me!!
Eh-
Oh?
KH! HOW IRRITATING!!
Aiko Asagiri?

Ah, it is
Ah... isn't this the coffee shop that Masaki's been going to quite often?
Yes, they were giving them out at the gate
Let's go there right now~



You're quite fond of that "healing" feeling
That place isn't very well known, isn't packed, and the coffee's delicious... how should I say it, it's healing~



Free coffee tickets?

I had to go back twice just to get a ticket for all of us!!
Whatever already, let's just go!!
I don't think I'll say that out loud...
Is she an old woman or what

Welcome!
Ah

Ah...
I see, you're a waitress in this cafe
Actually, my father is the only person that runs the cafe
Since it's just the two of us, I have to help out
I see
That's amazing even though you're just a first year
You completely surprised me this morning--"Ah, this person always comes to the cafe"
But it would have been strange to say "Thanks for coming" then
Ah--- That's why you were surprised
I was the one who was a bit regretful
Well--- stuff happens
I had no idea...

Ah, come to think of it, the one who handed out tickets at the gate this morning
Yes, that was me!
Ah... As you can see, our cafe isn't flourishing that well...
My father opened this shop out of his hobby, and leaving it like this was enough...
But I really want a lot of people to get to know my coffee...
But even though I handed them out at school...
Perhaps it had no effect...
You completely fell for it...
Nn~ But from my perspective, that was rather easygoing
I see! That's when you thought of the free coffee tickets!
Ahaha, It really was simple...
What the heck is that?
Shut up! Free tickets are better than free stuff!

Then you did this of your own accord?
Yes! Daddy definitely doesn't know about this!
Well, I suppose the world isn't so naive...
I just wanted to surprise my father by having lots of customers
Eh?
That's great and all... but even if you lured a lot of people here, won't they all get it for free?
Ah...
That's a problem
And for a cafe
But then I'd definitely come back for more
That's just how good the coffee is here
Aiko-chan's so nice. I can't think of her like the others
Oh my- what should I do?
If it were me
I'd probably come if the first one was free

...Thank you!
I completely forgot to return this to her yesterday.
I wonder if Aiko-chan's already gone home.
No one's here.
E Excuse me, please move!!

It's dangerous~ I'm coming through!
OWAA!
A-Aiko-chan!?
eh
Shira-sa

Were you going to cut these up all by yourself...?
And... I think this is all the papers that were lying around...
In that case, we'll help
Y-You can't!?
しょぼーん...
So you forced yourself to keep going...
You haven't slept well have you? Your face looks pale...
Y-Yes... I did half of them last night though

Eh?
Wah
Ako-chan your hands are bright red
I can't let you do that
This is my problem !!
Thank you...
Did you find them for me!?
Ah these I was using a pair of scissors I'm not used to
I recently lost the scissors I've been using since I was a kid
Ah, that's the one!!
You mean, this blue one?

Eh?
Eh?
What is he doing...
He shouldn't be teasing a little girl!
Of course, I'll return it
After you agree to let us help you!
Ah
T-Thank you!
T-That would really be helpful!!
A few days later
OPEN

Ah everyone!
Welcome!
You're really cute ♡
A-Aiko-chan!?
Oh Aiko-chan guys are weak against these uniForms on cute girls
Yayoi?
Did it surprise you? I used Yayoi-san's idea to make them
You're always using those scissors, aren't you?
Yes! They've been quite loyal to me
Thanks to you guys I'm really grateful!
There are quite a lot of customers

But these scissors actually brought me luck this time
Eh...?
--- Is what my mom always used to say
I treat a lot of things preciously
No matter what it is, if you use it for a long time, it'll bring about good things
It was a favorite color of my late mother
A beautiful indigo...
Masaki--- You should help out too!
...I see
Right away!
Aiko-chan, two blue mountains please~

U-Umm
That's too bad
Eh~ I see
This will be great, I'm so happy~
I'll come too. The store is closed tomorrow!
Nn?

Ehh... It's clear...
The weather tomorrow will be sunny nationwide...
I've heard the details from Sumire, do your best~
... Do my best? How do I do that when viewing the moon?
Well, you'll know when you go
Yuuki-kun isn't going, so you have to go
She's always loved these kind of things-- Being all lively...
Ah, he did say he had work...
That's too bad...
Eh~ I see...
Ahh~ How bother-some~ I'd rather sleep in here
Yayoi-chan said she's coming to pick you up because she thought you'd say something like that
Uu...

The next night--
Come to think of it about Yuuki she's always...
Masaki~ Go take a bath~
Yes, yes...
That Yayoi she looked quite disappointed.
And...
How is this related to viewing the moon?
Hold it right there~
What is this sudden...?
Here Masaki, carry these next!!
Dammit, Yuuki managed to escape this one...
UWO...
All the other girls are down with a cold
Sorry~ Actually, I was put in charge of spring cleaning the student council's room

Yuuki-kun is excused because he has work! You're going to work really hard!
Shirai-kun, are you okay?
I'll help too
Don't worry, don't worry, let him slave away
We can't get any male help when Yuuki-kun isn't around
WHAT DO YOU MEAN YOU CAN'T!!
What, you wanna go for it?
Don't worry, it'll feel better after we've worked
Sorry everyone, as soon as this is finished we'll go look at the moon
I hate it though
Me too me too ♡
I like cleaning too
Nn?
生徒会室
Then let's do our best and finish this
yes~

T-That's too much for one trip...
I thought that this way would be more efficient...
Don't overdo it...
Eh?
フラ
フラ
OWAAA!! HEY... OOKURA-SAN!?
Eh
But that's also one of Ookura-san's fine points
The one where you try so hard
I do think it would be better to rely on others a bit more though~
Although I do that too much
ひょ lol
アハハ
Eh!?
I'm glad that you came today...

Come to think of it... Ookura-san isn't very outgoing...
And this is the first time I've done this, so it's really fun
I'm actually quite shy... But I can speak with Shirai-kun whenever I want
It's like I'm speaking so naturally...
E-Fun...?
Hi see, that's how it is...
MASAKI-!!
OOUU?
Yayo!~~~
Ah, that's not it...
Don't worry, don't worry, just leave the rest to him
UWOO!?
You can't do that! Letting a girl carry all that

Anyway
They've already
become such
great friends
She's
always been
like that
Even in
her class
now, she
has heaps
of
friends
I wonder
why she's
always
with
Yuuki
and I..?
Wherever
we were
playing, she'd
make friends
with people
she didn't
know...
Don't tell
me
perhaps...
Geez

You're always taking breaks
I can't rely on you
REFLECT ON IT!!
Sigh~
Sort of. Of course. That's me~
Ah
No, that's wrong!
I'll have you know that I'm trying my hardest!!
What are you saying, you asked for help from Momiji-chan!
Well excuse me--
I'm not as reliable as Yuuki anyway!
Unlike me, he can do anything
What the heck is that? Why are you talking about Yuuki-kun?
Ugh
You too! You shouldn't drag Ookura-san along

You're such a simpleton, you might not even know you're being a bother!
Masaki, you idiot!!!
Waa
Oh damn
Masaki-kun
Are you a grade schooler ?
Going alone might be tough. Ah, Yayoi-chan, would you go with him?
Sorry, but could you carry this to the store in the gym for me?
Ah, sure

Masaki!
Masaki
Walk faster~ It's tiring
I can't help it, it's dark...
What?
Y-You say something?
Oh W-What?
You ... are acting really strange
A-Ahh... Well then...

You're scared aren't you?
T-T-That's not it...
Not at all!!
——
Eh?
You really are a simpleton
Just like when we were kids
Ah, no
!!?
Am I really such a simpleton...?

GYAAAA!
Kyaaaaaaa-!
T-THERE'S... THERE'S SOMETHING OVER THERE
S-SOMETHING REALLY CLOSE...
!!?
A tortoise
A t-tortoise?

... See, that's what I'm talking about
Eh?
It came from the living animals' room
Awww— Thank goodness
It always shows on your face
When we were kids
Did that really happen?
Yes it did Oi—
Yayu-chan likes Youki right?
T-T-That's not it...!
Not at all
Well, no matter what you said they were right on
Sure, you're turning red already

Girls are a lot more complicated
What?
I see I see, I see, is that what you were thinking
Hmmm
Than you think they are
Ah, Yuuki, now you get here!
I've alread heard Good job
Refresh-ments from work
You bas-tard
Ah A shooting star!
Waa, beauti-ful~ ♡
There isn't a single cloud~

I don't really know...
Hey hey Masaki, what did I wish for?
What?
Ehh, really?
Let's all make a wish
Hurry, hurry
A wish, huh...
What do I want to do...?
Hey~~
It's a secret♥
What the heck is that?
Like I said, girls are mysterious
What did you all wish for?
I wished that I would make delicious coffee!
I wished that I would find a good job~

STAR&PUCKS COFFEE
This isn't good!! We can't let this happen!
Ah- Oi, where are you going?

Don't worry
Let them be we're still who we are
That's naive, Alice-chan!!
You old timer! The restaurant industry is also survival of the fittest!!
Having a rival store open up so close to you is bad news!
I-I see-...
Yes indeed! All you regulars!!
Yayoi-chan, so cool~
Well then!!

Yes, from Masaki!

Okay, time's up!
Next, Sumire-san

So I'd be much happier if the coffee was a bit more lukewarm
I see...
About that...!

Why not cool it down by blowing on it right in front of the customer?

Mutsuki-san...
...And call it service?
Please be serious...
Oh my! Do you dislike that?

This is beginning to look like a store for the wrong things
Ah... This is actually good
Let me blow on Masaki-kun's coffee too~
It'll close down!!
What kind of rude things are you saying
Else this small store might get blown away!!
Come up with some better ideas!
That's no good at all!!!

They're rare beans that aren't usually sold in the market! That taste is verily God's work of art!!

It's all about love!!
Everyone!! The plan to dress up as Stepa employees and aggravate the customers is cancelled!!

It's not about winning or losing to your rival store
It's these precious feelings of happiness that your customers get... How sincere!
Aiko-chan...
Yes indeed... We won't be needing this anymore...

I've made everyone worry
But I'll do my best
We won't be needing this anymore...

No way~ What about Masaki?
One more round, let's go once more
Ah, Mutsuki-senpai
Everyone looks like they're having fun. What are you guys up to?

We're all playing poker
The one with the lowest rank has to treat everyone to coffee
Yup, yup
Confetti's coffee?
Would you like to play too?
Ah, she's got the eyes of a gambler
Yay ♡ But how do you play?
EH?
Mmm, I didn't think Mutsuki-san wouldn't know how to play poker
And this is
Yea
How surprising.
Hmm
Well then, Mutsuki-san is the last person to change cards
Hmm What should I do?

Two pair here
Ah... Me too
Uu... I've got nothing again...
Great, great, keep it like that!

Make sure you return to the class in time for the afternoon lessons everyone
Well then, we'll stop by Confetti after school

Ummm is this called a five corder?
GAH!?
O-ONCE MORE!!
It didn't feel like this was her first time playing
Ehh~ Mutsuki-san was that strong?
We were completely caught off guard
Yes

Well then, since I was the lowest, I'll treat everyone to coffee today
Please don't hesitate to drink as much as you can
That's because Yayoi will continue to be angry
In the end Masaki is the one who suffers

Good afternoon!
Oh, Mutsuki-san
Speak of the devil
What's with the bouquet Mutsuki-san ?
I was the ten thousandth customer in a store by the station...
Aiko-chan, you can use this to decorate the store
Eh, can I really?
Such extremely lucky people really do exist in this world
Here's a bouquet for Masaki-kun, too~ ♡
WAAII ♡
That Masaki has completely mellowed out
Mutsuki-san really is wonderful
Beautiful and sociable and so mature So admirable
She might be Masaki's ideal Healing Goddess

It's so annoying, I'm chucking garbage at him
OW OW OW
Look at his lovestruck face
Hey~ it's really lovestruck
Here's one for Yayoi, too
Eh?
Ah, you can't do that, Mutsuki-san
If you get close to Yayoi-chan, then your luck might dwindle
After the game, she went straight to last place~ Comparing you two is like comparing a rose and a shepherd's purse
HEGO
ANNOY-ING!!

Well then everyone have a good day
Eh? Mutsuki-san what about your coffee
Hmph
You've become stronger, Yayoi...
Why are you getting so irritated-
Eh?
I was in last place anyway
Can't be helped, those kind of people are special
– Ahh I get it! You're jealous of Mutsuki's luck, right?
What – It was only a game
THAT TAKEN THAT!!
AH, THAT!

WELCOME BACK~ ♡
Deadlocked in thought for 3 minutes
...!? EH!? M-M-M-M-MUTSUKI--SA...!?
EH, WHY ARE YOU..!?
I've thrown everything away...
To be with you forever
E-EHH!? T-THAT'S..
Hey, hey

EH!?
Why are you taking it so seriously!
Ahh... she came to get some cooking lessons from you
So that's what it was
Yukino-san is a veteran at everything, so I'm learning a lot from her
Masaki-kun I'm so envious that you have a sibling
Ehh... I refuse to believe that...
You should have more pride and respect for your sister
Ah it's already this late
It's still early

Eh-
EHH?
Ah, Sumire is staying over tonight
I look forward to it Maseki kun
Okay~
Sumire, why don't you take a bath?
I didn't hear about this!!
Mutsuki-san never fails to surprise me
Ahh
Don't eat with your fingers
Being under the same roof with Mutsuki-san
But anyhow..

THIS MIGHT BE GOOD... ♡
What might be good?
HAWAAA!!! M-MUTSUKI-SA...
Ehh, so this is Masaki-kun's room
Ahh, that was fun~ ♡
It's like sweet vinegar
T-This isn't good for the heart
I wonder if you're hiding anything weird over here?
GYAAA~ STOP!!
Oh my- what's this?
NOO!!
Mutsuki-san looks so sexy after she's taken a bath...
I'm so lucky to see her like this...

I thought you were really friendly with Yayoi-chan, turns out you're childhood friends
Huh?
Yayoi ?
Oh yes, Masaki-kun
Y-YES!?
I heard from Yukino-san How nice... With such a cute girl...
What's so cute about her...
She's got the face of a devil
BAD KIDS WILL BE...
Why am I perfect?
Eh... that's the image I'm getting... A-And you've got amazing luck
I wish she'd follow your example
Beautiful and graceful and intelligent, like a perfect girl
Hmm?
...luck... you mean about today's game of poker?
Fufu... I see

Even in games, luck isn't enough to win
Huh
Everyone has their lucky day

Ehh... I never once thought about that
I actually like thinking about these kind of things
If you check all the cards that are in hand and on the table
You can narrow down the kind of cards that you can draw

That's why I put in effort
I see
If you like it, you'll eventually master it, right?

Even with cooking, if I was perfect, I wouldn't need to learn, would I?
Images are just images

I see I'm sorry
Mutsuki-san is trying so hard and I'm
FuFu, don't worry
Masaki-kun still needs training
Don't be captivated by images, or you might unexpectedly overlook something important really close to you
Huh ?
?
Do your best and become a great guy

Morning!!
Good~
You'll just end up losing again
No no! It isn't about winning or losing
It's all about experience
I'll take my revenge during the lunch break
She's completely back to normal
The battle has only just begun
I've got to improve on my own
Let's go all out today!!
I might go with an espresso today, yayo!
Watch out for me~

Shirai-kun told me to leave the committee meeting early
I'm just a bit anemic... I don't think it's a big deal
Idiot! Can't you tell from this situation?
I really thought it'd be better to go home together, so I waited
Hey, how about we all go to Confetti
Ehh~ Are you okay?
Of course she isn't Anyway, I'll walk her home
See! I don't have time to hang out with you today
Just go straight on home
No way I'm alright, don't worry
You don't have to worry about Yayoi

Well Let's go
But...

I see, that's good

We've done something bad to Yayoi-chan
You don't have to worry about that She just wanted to have fun
But... Thanks a lot for today, Shirai-kun
What you said really helped
I can't really speak for myself
I see
Ookura-san you weren't looking well all throughout class today
I just wondered if you were feeling sick or something...
Ah...
Is that because you studied without sleeping?
Ah, but about three hours...
Umm
Y-Yes that's probably not the case...
I... in the recent test... dropped my grade a bit, that's why...
Dropped your grade...? You weren't the top in class?
Yea But the school rank...
Haa ~~

That isn't good! You're bound to have enemis because of that!
You're always pushing yourself so hard!
We're always meeting during class, so I spend half the day dreaming
It's nothing to be bragging about, though
Shirai-kun is really strong...
Eh?
That's what being strong is
To be able to treat others kindly... isn't it because you have a surplus?
R-Really... That's...
I can't do that...
Being concerned with other people's problems...

I don't have any other redeeming feature
Ookura-san you really don't have to push yourself, at least for today
It's okay
Ah... Oh no, I have to go to cram school soon...
Eh, cram school...? You're going now?
Listen, Masaki
Yea... Why? Did I do something wrong?
...So, you let Yayoi-chan go home alone yesterday?
And you didn't even walk Ookura-san to her home?

Huh?
Do you have a girl you like?
What the heck!? That was out of the blue...
I don't have one
If you mean someone in particular...
In that case, why don't you treat Yayoi-chan a bit more kindly?
...Huh? Where did that come from?
Like I said
Yo!

Ah-- I bought it
Yahooo♡ Lend it to me-- I want to listen to it right now
Hey hey Masaki, did you buy that best collection CD?

If you've got nothing else to do, drink tea and go home
Aren't you being a bit cold?

Shirai-kun always tells me to ease my shoulders
I'd always feel better

K-Koro!?
A... dog!?
Ah It's just about a dog...
And this might be a bit weird...
But Shirai-kun resembles Koro...
But Yayoi-chan really has it made
If I had a childhood friend like Shirai-kun...
Hey
Me too, me too~~~

O-Oh my...
What am I thinking about?
Excuse my intrusion~

T-Then... why didn't you come to school...

Will you be lonely if I leave...?
Eh?

As five years ago...

I-It hurts Masaki...
I'm not giving this to you, just lending it

Welcome to AT-T's release of
Prism Palette

Peach-Pit's art is cute. Isn't it? I mean, look at them over there... Cute it is, but even we won't try to tell you this is original in any way, shape or form.

Yes, another rom-com.

All because I decided to release a large amount of **something** on an arbitrary date in the next month. Since I missed the Wintereeenmas release thing. After bugging unfoo42 and tardo about it, we decided on this.

About halfway through, both tardo and I were having troubles. Him with the [illegible] language (it was too easy, he says), and both of us with the fact that, well, it looks better than it reads. Hch.

Well, enjoy, anyway. I put too much work into this for my own good, and tardo, after struggling with the [illegible] language, did half of it in one day.

With much thanks to him, you should have this at the end of January.
